

Community Hospital Fact Sheet

Community Hospital is a regional healthcare leader providing quality, compassionate, and advanced care to more than 30,000 people in southwest Nebraska and northwest Kansas. Our daily actions lead us to our vision of progressive and proactive care to inspire healthier communities. As a critical access facility, Community Hospital excels in surgery care, inpatient care, cancer services, emergency care, and in offering a wide range of visiting specialists. Community Hospital opened a 25-bed patient wing with all-private rooms and new surgery wing in 2011-2012. We also offer the Anderson Center for Radiation Oncology, Cardiopulmonary Rehabilitation Center and Medical Specialists Center.
