

Community Hospital Fact Sheet

Community Hospital is a regional healthcare leader providing quality, compassionate, and advanced care to more than 30,000 people in southwest Nebraska and northwest Kansas. Our daily actions lead us to our vision of progressive and proactive care to inspire healthier communities. As a critical access facility, Community Hospital excels in surgery care, inpatient care, cancer services, emergency care, and in offering a wide range of visiting specialists. Community Hospital's 25-bed patient wing, featuring all-private rooms, along with its modern surgical wing, has been serving patients since its opening in 2011–2012.
