

340B IMPACT PROFILE

COMMUNITY HOSPITAL

The 340B program is a crucial lifeline for safety-net providers, enabling them to offer a range of essential healthcare services. As a rural Critical Access Hospital eligible under the Affordable Care Act, we have greatly benefited from this program. Our 340B story below highlights how we use these funds to extend limited federal resources and better serve our patients and communities.

OUR 340B PROGRAM

BEGAN 2011

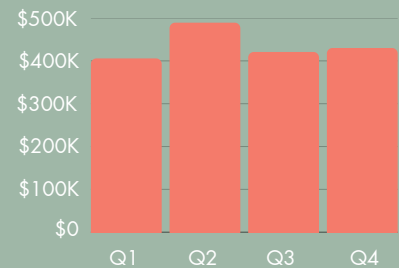

25 BEDS

4 CLINICS

\$1.4 MILLION
ANNUAL
